<i>Inside Ad, plus editorial.....</i>	

This publication provides your advertisement with high visibility, due to the relevance and usefulness of the information for car dealers. Your ad is always strategically placed next to vital information. The circulation, and low ad rates represent your best ad investment. Come on board and become a **full sponsor**, or start off slowly with a **one page ad** by making this your platform. You will have the opportunity to discuss key industry issues and how your company is providing solutions to dealers. This is an outstanding opportunity to reach over **3,500** dealer principals that need your expertise. Be a partner in Canada's official automobile dealer publication. Free copies of the **2008 and 2009 edition** are available for you to review.

*For more information on how you can target the top Canadian Automotive Dealer Principals in the 2010 edition of the **CADA Year in Review** contact:*
