Canadian Black Book and DesRosiers Automotive Consultants Inc. are proud to present the **seventh** edition of the **Canadian Used Vehicle Report**. This report has become the most reliable source of information about the used vehicle market in Canada. By advertising in this publication you will be reaching over **3,500** of the top decision makers and gaining exposure in the automotive industry, directly where you want to be. Distribution of this book is national in scope and covers both Canada's new and used dealer principals. Included with each advertising option is:

- *A guarantee that your ad will never be placed beside another sponsor to ensure your maximum exposure*
- *Complete control over your advertisement/editorial*
- *A colour copy of your logo and the contact information of your choice within the table of contents for easy reference*
- *Two free copies of the finished publication*

For more information on how you can target the top Canadian Automotive Dealer Principals in the 2009 edition of the **Canadian Used Vehicle Report** contact:
